

Veenker Memorial Golf Course

2020 Men's League

Cost: \$90/per player

Start date: May 5th (Fun Team Day/Dinner/Meeting). 13 Weeks of Competition (May 11th-Aug. 4th with an extra rain date built in). August 4th or 11th final league night, dinner, and awards.

Teams

Teams range from 5 to 7 players with only 4 players competing for points each week. Having extra players allows people to have weeks off for conflicts in schedules. **Minimum of 5 players is required.**

Rules

Play will be governed by the **USGA Rules of Golf** with the following exceptions:

1. All penalty areas will be played as Red penalty areas. It will be up to **all players** in the group to decide where the ball entered the penalty area.
2. As an additional option for penalty areas we will have drop zones available on the following holes. (5,7,11,15 and 16).
3. We will play "preferred lies" everywhere except the greens. You may move your ball within a six inches area (no closer to the hole) with your club head, **not** lift, clean, and place. Cannot move from one cut of grass to another.
4. The highest score you can enter on your scorecard is a quadruple bogey. If your score is going to be higher than a quadruple bogey, mark X on your scorecard to alert the clubhouse you did not finish your hole. If you do not finish 2 or more holes, you automatically lose the stroke play point of your match, but are still able to win the match play point.

Format of Play

Each week, four (4) individual matches will be played between two (2) teams. You will be playing against one member of the opposing team with each individual match worth 2 points, (one point for the winner of match play and one point for individual stroke play net).

Scoring

Every player in the league will have a league handicap. This will determine who shall receive strokes during the matches each week. Each scorecard will be prepared prior to play indicating the holes where strokes are to be given. While keeping score, if you "get" a stroke on a hole you are to write both your scores down, i.e. 7/6 and as such, your final score at the end, i.e. 41/36. If you win a hole in match play circle the score. This assists in assigning accurate points to the appropriate teams.

Divisions

We will have two divisions based on last year's rankings. Division rankings will determine head to head play for the league championship.

Tie Breakers

1. Head to Head Match-Up (Who won the match).
2. Team with most wins.
3. Putt off. Each team picks two players for sudden death putt off.

Additional Features of League

- Weekly awards
- Skins game with weekly winners (Paid out in Cash. Usually only need to win 1 or 2 to get money back.)
- **ALES** (After League Evening Specials)
- **EVERYONE** wins at the end of the season
- Fun Format and Social Networking
